

2020 Colorado OHV Program Grant Awards

ARCHULETA ATV TRAIL PROJECT – CHAMA BASIN USFS – Conejos Peak Ranger District
Project Area and Trail System: Archuleta County; Rio Grande NF; Archuleta Trail 741.
Total Project Cost: \$41,004; Grant Award: \$34,000
Trail maintenance/rehabilitation will be done on about 16 miles of the Archuleta Trail with the aid of a youth corps crew. The crew will conduct educational activities to promote the benefits of multiple-use, Tread Lightly, and Stay on the Trail OHV practices. Tasks include: to repair/install kiosks; protect resources, monitor use patterns, produce brochures, enforce regulations, and continue community relationships. A UTV will be purchased.

OHV TRAIL CREW, REHABILITATION & PATROL II USFS – South Platte Ranger District
Project Area and Trail System: Douglas County; Pike NF; Rampart Range Motorized Recreation Area; Trails: 770, 650, connecting trails & trailheads, along with 675, 677, 627, and 649.
Total Project Cost: \$107,658; Grant Award: \$98,908
1) A specialized crew will maintain about 80 miles of single track trails in the area. 2) A second crew will patrol the Rampart Range Motorized Recreation area. This crew will: answer visitor questions, provide education, distribute information and maps, aid in medical and other emergencies, and enforce rules and regulations. 3) A heavy equipment contractor will: re-route existing 50” trails, re-contour trail segments; rehabilitate decommissioned trails, install water control features; seed, fence, and sign areas and trails.

SLAUGHTERHOUSE GULCH STAGING AREA IMPROVEMENTS Mile High Jeep Club of Colorado
Project Area and Trail System: Park County; BLM – Royal Gorge Field Office; USFS – South Park Ranger District; Trail head and staging area is prior to FS Road 101, adjacent to County Road 997 and located on land under BLM jurisdiction.
Total Project Cost: \$32,096; Grant Award: \$29,216
The existing staging area will be re-designed and improved to expand the area to allow for safer staging of vehicles and trailers. Tasks include: installing aggregate and grading the staging area; defining boundaries with post and cable fencing; reseeding the area; installing a kiosk with a system map, rules & regulations, and for educational purposes.

TRES RIOS OHV CREW - 2020 BLM – Tres Rios Field Office
Project Area and Trail System: Montezuma, Dolores, San Miguel, Montrose, La Plata Counties; Trail areas: Dolores River Canyon, the Canyons of the Ancients National Monument, Bull Canyon, Summit Canyon, Island Mesa, Skein Mesa, Phil’s World, Mud Springs, Rock Crawler trails and open OHV play/training areas.
Total Project Cost: \$50,365; Grant Award: \$28,980
The OHV trail crew will: install and maintain OHV related signing; to maintain trails, areas and facilities: rehabilitate non-system routes, document major trail maintenance needs; educate and interact with OHV enthusiasts; set, maintain, and collect trail counter data of OHV routes.

OHV DOZER 20 PROJECT USFS – Dolores Ranger District
Project Area and Trail System: Dolores, Montezuma Counties; San Juan NF; Trails include: Dolores District - Aspen Loop, Aspen Spur, Golconda and Morrison Trail Network, and Rico West Dolores OHV trails in the Ground Hog and Black Mesa areas; Pagosa District - District Wide Network- the Blue Creek, Mosca, Porcupine, and Mill Creek Road landscapes.
Total Project Cost: \$58,998; Grant Award: \$38,998
A dozer operator and a swamper will perform trail maintenance activities on popular area OHV trails. Tasks include: clearing deadfall; signing trails; trail construction/reconstruction; cleaning water structures; and visitor contacts.

OHV TRAIL DOZER MAINTENANCE PROGRAM 2020 USFS – Ouray Ranger District
Project Area and Trail System: Montrose, Ouray, Delta, Mesa, Gunnison, Hinsdale Counties; Grand Mesa, Uncompahgre & Gunnison NF(GMUG); Gunnison, Grand Mesa, Ouray, Paonia, & Norwood Ranger Districts; BLM area Field Office; Uncompahgre Plateau and Mountain Division.
Total Project Cost: \$255,945; Grant Award: \$126,457
Two dozer operator/swamper crews will maintain OHV trails on the GMUG and on the BLM’s Uncompahgre Plateau section. Work will include: heavy and basic maintenance, reconstruction, and major work projects. The Ouray Trail Crew and Thunder Mountain Wheelers will assist on special trail projects.

DIVIDE RD HEAVY MAINTENANCE CREW 2020 USFS – Divide Ranger District
Project Area and Trail System: Rio Grande, Mineral, San Juan, Hinsdale, Saguache, Alamosa, Conejos Counties; Rio Grande NF; Divide RD Trails: Dry Creek, South Rock, Alamosa Rock, Bear Creek, Benino, LaGarita SD, LaGarita Ck., LaGarita CK. Cutoff, Groundhog, Middle Alder, West Alder, Alder Bench, Cross Creek, Fern Creek, Lost Trail, Tewksberry, Castle Rock, Castle Rock Cutoff, Wolf Creek, Bennett, Burro, Munger Canyon, Fremont, Frisco-Fitton, Shady, Church Creek, Palisade, Embargo, Perry Creek, Cathedral, Miners Ck, West Lost, Pole Ck, East Fork Middle Pole, Middle Pole Ck, Trout, West Bear, Shrader; Saguache RD Trails: Bowers Peak, Miner’s Creek, Perry Creek; Conejos Peak RD Trails: Archuleta Trail # 741 and Trail # 740.1.
Total Project Cost: \$99,388; Grant Award: \$95,240
An OHV trail crew will work on a system of 270 miles of motorized trails performing trail reconstruction and maintenance, signing, compliance checks, public contacts and education. Heavy maintenance work will be done using a mini-excavator for tread reconstruction, drainages, and back-sloping.

ROYAL GORGE OHV CREW 2020 BLM – Royal Gorge Field Office
Project Area and Trail System: Fremont, Lake, Park, Chaffee, Huerfano, Custer Counties; BLM public lands under the Arkansas River, the Fourmile, and the Gold Belt Travel Management Plans and other areas; Trails include: Fourmile, Texas Creek, Turkey Rock Trials Motorcycle, Penrose Commons, Seep Springs, Carnage Canyon, and Birdseye Gulch.
Total Project Cost: \$52,500; Grant Award: \$45,500
Trail maintenance and public education will be done on the OHV areas. Tasks include: tread repair, clearing corridors; maintaining trailheads, signage and kiosks; and providing resource protection. The crew will work with the San Carlos and Salida Ranger Districts’ OHV Crews on projects, coordinating patrol schedules, and making visitor contacts at popular trailheads. The crew assist with work on two trail construction projects in the Fourmile area: an ATV trail to add a loop; and the Chinaman Gulch single track motorcycle trail.

GJFO EQUIPMENT TRAILER BLM – Grand Junction Field Office (GJFO)
Project Area and Trail System: Mesa, Montrose, Delta, Garfield Counties; BLM - Grand Junction Field Office & the McInnis Canyons and Dominguez-Escalante National Conservation Areas (NCAs); Grand Valley Open Area, North Desert, parts of Bangs Canyon, Gateway, Barrel Springs, Horse Mountain, Rabbit Valley, Cactus Park, Hunting Grounds and Sawmill Mesa-Wagon Park areas.
Total Project Cost: \$14,500; Grant Award: \$11,500
A trailer will be purchased for hauling equipment and supplies used by the BLM OHV Trail Crews to maintain OHV trails and trailheads.

DOUBLE TOP TRAIL RESTORATION USFS – Gunnison Ranger District
Project Area and Trail System: Gunnison County; Grand Mesa, Uncompahgre & Gunnison NF; Double Top Trail #405, 405.2A, 405.3A.
Total Project Cost: \$67,500; Grant Award: \$49,000
Trail relocation work, heavy reconstruction and maintenance will be done to a 12.5 mile long trail. The work includes: drainage installation/repair; trail realignment; tread, turnpike, and switchback construction/reconstruction; and trail armoring. Nearly ¾ of a mile of new trail will be constructed. Restoration of non-system and abandoned trail sections will be done using log or rock check dams and trench backfill techniques.

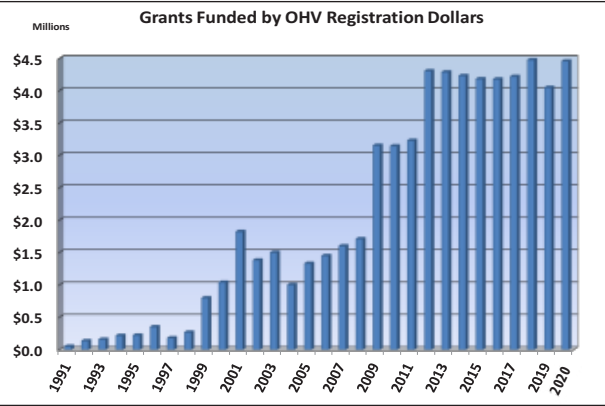

GRAND VALLEY DOZER OPS 2020 USFS – Grand Valley Ranger District
Project Area and Trail System: Mesa, Delta Counties; Grand Mesa & Uncompahgre NF; Trails include: Hawxhurst Trail #530, Smally Trail #531, Porter Mountain Trail #534 and Trail #535, among others.
Total Project Cost: \$151,700; Grant Award: \$126,600
Trail dozers will be used for improving motorized District trails. Equipment crews and OHV club volunteers will target trails needing specific repairs and perform basic trail maintenance. Goals include maintaining drainage structures, clearing downed logs, hardening creek crossings, and constructing rock stream fords and turnpikes

CHINAMAN GULCH SINGLE TRACK Central Colorado Mountain Riders (CCMR)
Project Area and Trail System: Chaffee County; BLM – Royal Gorge Field Office; Chinaman Gulch area of the Four Mile Travel Management area; Chinaman Gulch Jeep/ATV Trail (#6044) loop.
Total Project Cost: \$117,860; Grant Award: \$87,888
A contractor and volunteer labor will construct 5.5 miles of multi-use single track to connect the Chinaman Gulch trailhead with the USFS Triad Ridge area. Tasks will include: trail corridor work; benching; back-slope smoothing, root cutting, moving large rock.

UAMTC MOTORCYCLE REPLACEMENT & MAINTENANCE GRANT USFS – Salida Ranger District
Project Area and Trail System: Chaffee, Fremont, Lake, Park, Saguache Counties; CPW – Arkansas Headwaters Recreation Area, USFS – Salida, Gunnison, San Carlos, and Del Norte Ranger Districts, along with neighboring BLM areas.
Total Project Cost: \$17,000; Grant Award: \$17,000
Funds will be used to buy a motorcycle, maintain existing OHV trail crew motorcycles, and purchase safety gear to support the Crew.

TO APPLY FOR A GRANT:
OHV Grant Eligibility Requirements:
Federal agencies, state and local government and non-profit sponsors are eligible for grants of up to 100% of project cost. As an applicant, you should examine the eligibility information to determine whether or not your project meets the requirements, prior to completing the application forms.

Complete application available online each August at:
<http://cpw.state.co.us/aboutus/Pages/TrailsGrantsOHV.asp>

State Trails Program

13787 S. Highway 85 • Littleton, CO 80125 • (303) 791-1954

cpw.state.co.us

ROUGH CANYON TRAIL PROJECT USFS – Dolores Ranger District
Project Area and Trail System: Dolores, Montezuma Counties; San Juan NF; Rough Canyon and Grindstone Connector trails.
Total Project Cost: \$107,000; Grant Award: \$70,000
Heavy trail maintenance will be done on over 4 miles of the Rough Canyon trail and a mile of the Grindstone Connector trail, a new motorized connector to the Bear Creek trail system. Tasks will include: tread and drainage rehabilitation, improving switchbacks, brushing, signing, visitor contacts and enforcing compliance issues.

COLORADO MOTORIZED ACTION PLAN COHVCO Access Fund
Project Area and Trail System: Statewide.
Total Project Cost: \$55,000; Grant Award: \$45,000
A state action plan will be developed through listening sessions to identify the strengths of efforts or issues for expanding or improving opportunities for motorized recreation on US Forest Service and Bureau of Land Management lands. The results of the sessions will be used to guide future motorized recreation planning and the final report will be coordinated into the cohesive national strategy.

GJFO EQUIPMENT OPS 2020 BLM – Grand Junction Field Office (GJFO)
Project Area and Trail System: Mesa, Montrose, Delta, Garfield Counties; BLM - GJFO & the McInnis Canyons and Dominguez-Escalante National Conservation Areas; Recreation Management Areas: Bangs Canyon, North Desert and Cactus Park; Grand Valley Open Areas, Gateway, Barrel Springs, Horse Mountain, Rabbit Valley, Cactus Park, Hunting Grounds and Sawmill Mesa-Wagon Park areas.
Total Project Cost: \$70,000; Grant Award: \$50,000
This project will complement the Grand Valley Ranger District’s equipment maintenance operation project by assisting with trail maintenance in BLM OHV Recreation Management Areas. The equipment will be used to maintain existing routes and build new ones, and to accomplish important late season projects .

OHV ENDURO SKILLS TRAINING AREA Rampart Range Motorized Management Committee (RRMMC)
Project Area and Trail System: Douglas County; Pike & San Isabel NF; Within the Rampart Range Motorized Recreation Area trail systems to augment the Dutch Fred Trail Head, camping, Kiddy Corral, and Lightfoot Loop.
Total Project Cost: \$125,000; Grant Award: \$125,000
The Rampart Range Enduro Training Area will provide a set of man-made obstacles and terrain designed for improving riders’ skills (beginner to advanced), and will feature tiered levels of skill building such as downed logs, boulder and rock formations, loose rock and sand, as well as on-site and online educational media.

SPRD BADGER FLATS IMPLEMENTATION USFS – South Park Ranger District
Project Area and Trail System: Park County; Pike NF; Badger Flats Area.
Total Project Cost: \$147,598; Grant Award: \$92,268
The project includes: creating new roads and OHV trail loops; constructing new trailheads and staging areas; developing dispersed camping areas; converting non-system routes into roads and trail loops; and providing facilities for day use groups. Drainage structures will be improved. Heavy equipment will be used along with volunteers assisting with tasks requiring hand labor.

COLORADO PARKS & WILDLIFE

2020 Off-Highway Vehicle Grant Award Program

YOUR OHV REGISTRATION DOLLARS AT WORK FOR YOU

Since the OHV Program started in 1991, more than \$62 million from OHV registration fees have been allocated for “on the ground” improvements for motorized recreation. In 2020, \$4,456,258 was allocated to motorized recreation projects across the state. The following descriptions highlight the grants that were awarded. Work on these projects will begin in the summer of 2020. Look for the OHV Program’s acknowledgment of your “OHV Registration Dollars at Work” on your favorite trail.

cpw.state.co.us

SPRD OHV TRAIL CREW 2020

USFS – South Park Ranger District

Project Area and Trail System: Park County; Pike NF; Badger Flats, Packer Gulch, and Sheep Mountain areas.

Total Project Cost: \$83,572; Grant Award: \$35,000

An OHV trail crew will perform trail maintenance and reconstruction on a system of over 700 miles of motorized trails and roads open to OHV’s. Tasks include: building water diversion structures, clearing deadfall, signage, rehabilitating non-system routes; work projects with local agencies, volunteer groups, user clubs and associations; contacting visitors to encourage proper use of OHV’s on trails, perform compliance checks, and distribute Motor Vehicle Use Maps (MVUMs); and assist law enforcement with trail related issues.

OHV UPPER POLE CREEK TRAIL #820

Conservation Legacy DBA Southwest Conservation Corps

Project Area and Trail System: Hinsdale County; Rio Grande NF; Divide Ranger District; Upper Pole Creek Trail #820.

Total Project Cost: \$38,100; Grant Award: \$27,600

Youth corps crews along with the Divide Ranger District will complete restoration and maintenance work on 1.5 to 2.5 miles of the Trail #820, a single-track trail. Work will include installing drains and drainage improvements, rebuilding and hardening tread, out-sloping, hardening creek crossings and boggy areas with rock and gravel to reduce trail braiding, and restoring braided sections.

STT EDUCATION & STEWARDSHIP ALLIANCE 2020

Stay The Trail (STT) Education & Stewardship Alliance

Project Area and Trail System: Statewide.

Total Project Cost: \$316,760; Grant Award: \$247,579

To promote stewardship for trail maintenance and repair, fencing, restoration of damaged areas, signage, informational kiosks, and other OHV projects, staff will take educational trailers and other outreach tools, such as maps, brochures and videos, to about 65 events around the state; will maintain the Stay The Trail website and social media sites; perform multi-media marketing and advertising to reach targeted audiences.

OHV TREAD LIGHTLY! COLORADO

Tread Lightly!

Project Area and Trail System: Education throughout Colorado; San Isabel NF; USFS & BLM lands, including 4 Mile Canyon in the Arkansas River Valley; Stewardship events: All-4-Fun & 14er Fest.

Total Project Cost: \$20,660; Grant Award: \$11,951

Tread Lightly! and Colorado JEEP Girls will attend OHV events and volunteer projects to distribute safety gear and stewardship tools in partnership with All-4-Fun and 14er Fest and to support local efforts to rehabilitate, enhance and maintain public lands open for OHV use. Education materials will be distributed at tabling events throughout Colorado and to clubs and volunteers to educate residents about responsible and ethical motorized recreation.

CCRD OHV CREW 2020

USFS – Clear Creek Ranger District (CCRD)

Project Area and Trail System: Clear Creek, Gilpin Counties; Arapaho/Roosevelt NF; Kingston Peak/Yankee Hill, Bill Moore/Mill Creek, Leavenworth/Waldorf, Devils Canyon/Barbour Fork, Pickle Gulch, Saxon Mountain areas, Moore Lake, Mill Creek Loop, Red Elephant Hill, Spring Creek/Silver City and Argentina Pass areas and Columbine Campground.

Total Project Cost: \$114,461; Grant Award: \$53,371

Maintenance and patrols will be done on about 110 miles of popular OHV routes in the area. Tasks include: clearing routes, cleaning culverts/water bars, signing; volunteer oversight; providing information and education programs with Stay The Trail. Adopt-a-Road Volunteers will help with maintenance and signing of the adopted areas.

ROUTT TRAIL CREW 2020

USFS – Hahn’s Peak/Bears Ears Ranger District

Project Area and Trail System: Routt, Moffat Counties; Medicine Bow – Routt NF; limited work on Yampa & Parks Districts of the Routt NF, where trails cross boundaries.

Total Project Cost: \$100,800; Grant Award: \$85,000

Trail maintenance tasks will be done on a system of about 150 miles of motorized trails. Tasks include: maintaining/reconstructing trails, signing, educating “Stay the Trail” and enforcing rules and regulations, and working with volunteer organizations to improve OHV trails. A dirt bike will be purchased to support crew activities.

2020 SUPPLY & EQUIPMENT GRANT

Western Slope ATV Association

Project Area and Trail System: Mesa County; Uncompahgre NF, Uncompahgre Plateau; Grand Mesa NF; BLM – Grand Junction Field Office Public Lands.

Total Project Cost: \$139,000; Grant Award: \$15,000

Supplies, materials, tools, and equipment will be purchased to support OHV trail maintenance activities. Educational materials, including maps, brochures, and signage, will also be purchased. Equipment maintenance and repair to trailers, ATVs, trail dozer, generators and jack hammers will be done. Funds will also be used for volunteer support and supplies.

SHERMAN CREEK SINGLE-TRACK 2020

USFS – Sulphur Ranger District

Project Area and Trail System: Grand County; Arapaho NF; Stillwater Pass OHV area; Sherman Creek Trail.

Total Project Cost: \$86,000; Grant Award: \$86,000

A youth corps crew along with the Grand Lake Trail Crew will complete work on the single-track trail adding about 9.5 miles of motorized single-track to the Grand Lake Trail System, linking the reroute to the Snyder Creek trails on the Routt National Forest. Work will include: pull berm, back slope, out slope, structures such as bridges, turnpikes, drainage and resource protection structures.

2020 COLORADO OHV WORKSHOPS (2)

COHVCO Trails Partnership (CTP)

Project Area and Trails System: Statewide.

Total Project Cost: \$61,125; Grant Award: \$55,125

Two educational workshops will provide technical information and discussions on relevant OHV topics in order to increase partnerships and resources among federal land managers, local government, and OHV enthusiasts.

TRAVEL MANAGEMENT SIGNAGE 2020

Stay The Trail Education & Stewardship Alliance

Project Area and Trail System: Statewide.

Total Project Cost: \$120,000; Grant Award: \$120,000

OHV travel management signage will be distributed for installation in the field to better help OHV users in navigating trails.

RRMMC TRAIL MAINTENANCE 2020

Rampart Range Motorized Management Committee (RRMMC)

Project Area and Trail System: Chaffee, Custer, Douglas, El Paso, Huerfano, Teller, Park Counties; Pike & San Isabel NF; Rampart Range, West Creek, Rainbow Falls, Wet Mountain; Rainbow Trail, and Four Mile trail systems.

Total Project Cost: \$253,309; Grant Award: \$220,385

Using a Trail Dozer and/or Excavator, trail maintenance will be done on multi-use trails throughout all six districts in the area. Tasks include: maintaining trails; filling in rain ruts; building and maintaining drainage structures; decommissioning and rehabilitating trails; constructing new trail.

URBAN INTERFACE OHV MANAGEMENT 2020

USFS – Pikes Peak Ranger District

Project Area and Trail System: El Paso, Teller, Douglas Counties; Pikes Peak NF; Project work areas include: North Divide (717 trail), Rainbow Falls/Rampart, Gold Camp, Hayman Burn Area. Single track trails of the Captain Jacks trail system: 665, 667, 626, 668, 701, and 672. Trails for OHV’s 50” and less include: 717, 717A-F, 631, 633, 634, and 650.

Total Project Cost: \$390,100; Grant Award: \$152,600

Using a trail dozer, a trail crew, youth corps and volunteers will perform heavy and minor maintenance, signage, and trailhead improvement projects on a trail system of OHV routes. Crew tasks include: minor trail re-routes, removing downed trees, rehabilitation and decommissioning of non-system routes. Two motorcycles and a 50” ROV to support crew tasks will be purchased.

EAGLE ZONED OHV CREW EQUIPMENT 2020

USFS – Eagle/Holy Cross Ranger District

Project Area and Trail System: White River NF; Greengate, Basalt to Gypsum, Redtable and the Triangle Peak trails and others.

Total Project Cost: \$31,000; Grant Award: \$31,000

Two ATVs and two dirt bikes will be purchased to support the Crew members performing District OHV trail maintenance activities.

2 PERSON OHV TRAIL MAINTENANCE CREW 2020

USFS – Pagosa Ranger District

Project Area and Trail System: Archuleta, Hinsdale, Mineral Counties; San Juan NF; Turkey Springs Management Plan area.

Total Project Cost: \$54,980; Grant Award: \$43,780

A trail crew maintenance tasks on a system of over 100 miles of area OHV trails will include: heavy trail maintenance; clearing deadfall; building water diversion structures; trail reconstruction and reroutes; signing; working with trail partners; conducting visitor/user contacts to provide education and information, and aiding law enforcement with trail related issues.

GOOD MANAGEMENT PROGRAM TRAIL CREWS

Good Management Programs emphasize operations and maintenance of OHV trails and takes a holistic management approach that provides opportunities while protecting sensitive areas. This includes maintenance, reconstruction, monitoring, signing, education, planning, field presence for visitor contacts and compliance.

STATEWIDE TRAIL CREW

Statewide

Total Project Cost: \$170,000; Grant Award: \$170,000

GRAND LAKE TRAIL CREW

Sulphur Ranger District; Grand County

Total Project Cost: \$85,000; Grant Award: \$85,000

GRAND VALLEY TRAIL CREW

Grand Valley Ranger District; Mesa & Delta Counties

Total Project Cost: \$112,850; Grant Award: \$85,000

GUNNISON TRAIL CREW

Gunnison Ranger District; Gunnison, Hinsdale, Saguache Counties

Total Project Cost: \$103,500; Grant Award: \$85,000

RAMPART RANGE TRAIL CREW

South Platte Ranger District; Douglas County

Total Project Cost: \$91,040; Grant Award: \$85,000

BLM GJFO TRAIL CREW

BLM Grand Junction Field Office; Mesa County

Total Project Cost: \$110,000; Grant Award: \$85,000

CRVFO TRAIL CREW

BLM Colorado River Valley Field Office; Eagle, Garfield, Pitkin, Routt Counties

Total Project Cost: \$85,000; Grant Award: \$85,000

UNCOMPAHGRE TRAIL CREW

BLM Uncompahgre Field Office; Montrose, Delta, San Miguel, Ouray, Mesa, Gunnison Counties

Total Project Cost: \$133,000; Grant Award: \$85,000

PARKS DISTRICT MOTORIZED TRAIL CREW

Parks Ranger District; Jackson County

Total Project Cost: \$103,775; Grant Award: \$85,000

DOLORES TRAIL CREW

Dolores Ranger District; Dolores & Montezuma Counties

Total Project Cost: \$105,000; Grant Award: \$85,000

OURAY TRAIL CREW

Ouray Ranger District; Montrose County

Total Project Cost: \$155,602; Grant Award: \$85,000

PIKES PEAK TRAIL CREW

Pikes Peak Ranger District; El Paso, Douglas, Teller Counties

Total Project Cost: \$182,000; Grant Award: \$85,000

SAN CARLOS TRAIL CREW

San Carlos Ranger District; Fremont County

Total Project Cost: : \$104,232; Grant Award: \$85,000

SAN CARLOS 2020 OHV TRAIL PROJECT

USFS – San Carlos Ranger District

Project Area and Trail System: Fremont, Pueblo, Custer, Huerfano Counties; San Isabel NF; Lake Isabel Recreation Area; East Cisneros Trail #1314 and St. Charles Trail #1326.

Total Project Cost: \$68,820;

Grant Award: \$61,250

Work will be done on the East Cisneros Trail #1314 and the St. Charles Trail #1326. Machine reconstruction will be used for drainage and trenching issues on trail #1314 and will be used for repairs on trail #1326 including switchback realignment, tread out sloping, rolling dip and drainage construction. An ATV with a winch will be purchased.

TMW TRAIL & BRIDGE MAINTENANCE 2020/2021

Thunder Mountain Wheelers (TMW)

Project Area and Trail System: Delta, Montrose, Gunnison Counties; Grand Mesa, Uncompahgre, & Gunnison NF; Grand Mesa, Muddy Country, Uncompahgre Plateau; Trails: #522, #820, #730, #804, #806, #719, #734, #100. Bridge work: Marcott Creek & Surface Creek Bridges on East Green Mountain Trail #719.

Total Project Cost: \$170,100; Grant Award: \$69,612

Trail maintenance, clearing and reinforcing trail sections, bridge work and rehabilitation work will be done on a system of ATV trails adopted by the club. An excavator will be used: to build approach ramps, to set bridge abutments and install a pre-fabricated ATV bridge on Marcott Creek; to repair the Surface Creek Bridge and the bridge abutments; and on trail maintenance projects.

LIVE LIFE OUTSIDE

Peach Valley Training Course

COLUMBINE TRAIL CREW

Columbine Ranger District; La Plata, Archuleta, Hinsdale Counties

Total Project Cost: \$88,675; Grant Award: \$56,960

UPPER ARKANSAS MOTORIZED TRAIL CREW

Salida Ranger District; Colorado Parks & Wildlife; Chaffee & Fremont Counties

Total Project Cost: \$85,000; Grant Award: \$85,000

STATE FOREST OHV TRAIL CREW

State Forest State Park; Jackson County

Total Project Cost: \$42,500; Grant Award: \$42,500

BLM KREMMLING OHV TRAIL CREW

BLM Kremmling Field Office; Grand, Jackson, Summit, Larimer, Eagle Counties

Total Project Cost: \$119,900; Grant Award: \$85,000

BLM GUNNISON OHV TRAIL CREW

BLM Gunnison Field Office; Gunnison, Hinsdale, Saguache Counties

Total Project Cost: \$178,500; Grant Award: \$85,000

EAGLE ZONED OHV TRAIL CREW

Eagle-Holy Cross Ranger District; Eagle County

Total Project Cost: \$110,500; Grant Award: \$85,000

FLAT TOPS OHV TRAIL CREW

Blanco & Rifle Ranger Districts; Garfield & Rio Blanco Counties

Total Project Cost: \$105,000; Grant Award: \$85,000

DIVIDE GM TRAIL CREW

Divide Ranger District; Rio Grande, Mineral, Alamosa, Hinsdale, San Juan, Saguache, Conejos Counties

Total Project Cost: \$99,500; Grant Award: \$85,000

DILLON OHV TRAIL CREW

Dillon Ranger District; Summit County

Total Project Cost: \$100,800; Grant Award: \$85,000

DENCA & MCNCA OHV TRAIL CREW

BLM Dominguez-Escalante & McInnis Canyons National Conservation Areas; Mesa, Delta, Montrose Counties

Total Project Cost: \$110,000; Grant Award: \$85,000
